### **Minister for Tourism attends Industry Leader's Dinner in London**

Minister for Equality, Employment, Culture and Tourism, the Hon Christian Santos GMD MP, met with key figures in the UK Travel Industry and provided a Treaty update at the Travel Weekly Industry Leader's Dinner in London this week.

The annual event hosted at the London Headquarters of Deloitte was attended by over 40 senior executives from airline, cruise, tour operating and agency sectors.

The event serves as the launch pad for the Travel Weekly Annual Insight Report prepared by research firm Kantar giving a firm outlook to the year's trading. This was followed by a UK and global political backdrop given by Times Radio presenter Calum MacDonald.

Minister for Tourism, the Hon Christian Santos GMD MP, said: "The timing of this event and the broad reach of the attending guests presented an ideal opportunity to bring the UK travel sector up to speed with the status of Gibraltar pending the Treaty rollout. Many questions were asked, and I was able at first hand to offer positive interpretation of the forthcoming new border arrangements and its impact on UK travellers."
